Shanghai University

About Shanghai University

Shanghai University is jointly constructed by the Ministry of Education, Shanghai Municipal People's Government, and the State Administration of Science, Technology and Industry for National Defense. In May 1994, the new Shanghai University was built by consolidating Shanghai University of Technology (established in 1960), Shanghai University of Science and Technology (established in 1958), the former Shanghai University, and Shanghai Science & Technology College (established in 1959). The vast faculty and students are determined to inherit and carry forward the glorious tradition of Shanghai University since the 1920s.

Shanghai University is a comprehensive university offering 82 undergraduate programs, 221 graduate programs, and 117 doctoral programs in various disciplines including science, humanities & social sciences, engineering, economics & management, art, etc. Shanghai University currently has 2965 faculty including 680 professors and 1087 associate professors, 16954 graduate students, 20448 undergraduate students, and 4505 international students. Shanghai University also achieved collaboration with 178 universities in 42 nations and regions, managing 5 Confucius Institutes with partners in North America, Europe, Asia, etc.

Highlights

1. Yu Yuan Garden

Located in Huangpu District of Shanghai, Yu Garden is the private garden of Ming Dynasty. There are City God Temple and various Specialty shops in the garden including Shanghai Chopstick Shop, Umbrella Specialty Shop, Tiehuaxuan Pottery and Porcelain Shop and numerous famous restaurants such as Nanxiang Dumpling Restaurant (Shanghai juicy steamed buns), Lvbolang Restaurant (Shanghai light refreshments) and Shanghai Old Restaurant (Shanghai style dish).

2. Shanghai International Shipping Center Yangshan Deepwater Port

Yangshan Deep Water Port, located in Shanghai China, ranks as the largest cargo port in the world. Built to circumvent growth limitations for the Port of Shanghai as a result of shallow waters, it allows berths with depths of up to 15 metres to be built, and is capable of handling the largest container ships today.

3. Shanghai Museum

As a museum of ancient Chinese art, Shanghai Museum possesses a collection of 120,000 precious works of art. Its rich and high-quality collection of ancient Chinese bronze, ceramics, painting and calligraphy is specially celebrated in the world.

The present Shanghai Museum has eleven galleries and three special temporary exhibition halls. It extends warm welcome to the visitors from all over the world.

4. Shanghai Urban Planning Exhibition Hall

Covering a total floor space of 19,000 square meters, Shanghai Urban Planning Exhibition Center was opened to the public in Feb 25th. With the theme of "City, Human, Environment and Development," the center has adopted high-tech facilities to display the overall urban planning in Shanghai and its achievements in this regard. This five-story

building made of micro-lite glass, currently known as the world's largest showcase of urban development.

5. Two-day trip of Suzhou and Hangzhou (Optional)

“Just as there is paradise in heaven, there are Suzhou and Hangzhou on earth.”

Suzhou is China's most affluent city located in the northern wing of the Yangtze River Delta, It is also one of China's most famous scenic spots. Suzhou has always been renowned for its beauty scenery, elegant gardens in the world. As the saying goes “Gardens to the south of Yangtze River are the best in the world, and Suzhou gardens are the best among them”. Expenses only include buses, tickets for main entrance, guide services, group meal and accident insurance.
